KEY FEATURES

SMART HOME THEATER

For Smart Home Theater, playing movies is only the beginning. With instant access to subscription services like Netflix and YouTube, you can start an impromptu family entertainment night whenever you want. You can also keep up to date with content built for your TV, including 15 preloaded apps, and access to the Opera Store to download many more.

3D BLU-RAY™

Experience jaw-dropping Full HD reality in both 2D and 3D.* Enjoy the latest Hollywood 3D titles and watch as your favorite characters practically leap off the screen when you pair this Blu-ray player with a 3D TV* and 3D active shutter glasses. (*3D TV, active shutter glasses and 3D content required.)

BLUETOOTH POWER ON

Conveniently connect and control the home theater with Bluetooth®. The device automatically powers on once it's located through the network.

CRYSTAL AMP PLUS

Samsung Crystal Amplifier Plus filters sound sources twice to minimize distortion and produce clear audio that sounds exactly the way it was meant to be heard.

QUICK START MODE (0.5 SEC)

Your Smart Blu-ray Player is ready when you are in as little as 0.5 seconds. Stop waiting and start watching.

VIDEO UPSCALING (DVD)

With HD Upconversion, DVD video is auto enhanced to bring you near HD quality. You'll see your favorite titles with greater details and clarity that you've never seen before.

AUDIO

DOLBY® DIGITAL

An industry-standard surround sound audio coded designed to deliver 5.1 channels of audio to deliver a cinematic audio experience.

DOLBY® TRUEHD

Delivers 100 percent lossless sound for movies and music that is bit-for-bit identical to the studio master, designed for your high-definition home theater.

TV SOUNDCONNECT*

Minimize clutter by wirelessly connecting your Samsung Home Theater System to your TV and other devices with TV SoundConnect. Instantly start enjoying movies and streaming music with more impactful sound.

CONNECTIONS

ANYNET+™

Redefine the universal remote with Anynet+ from Samsung. Control up to twelve compatible devices and streamline your device management for a better user experience.

USB

Get complete access to stored audio and video files from any USB memory drive or external hard drive. This wide range of compatibility allows you to connect and share content via USB.

BLUETOOTH®

Wirelessly connect your mobile devices to your Home Theater System with Bluetooth®. The System functions as a Bluetooth® speaker for portable devices so that you can stream music from your smartphone, tablet or computer.

HDMI

Connect your TV and audio systems with a single cable for higher quality audio and video for a better entertainment experience when watching your favorite movies, shows and sports.

WARRANTY

1-year parts and 1-year labor warranty (90-days parts and labor for commercial use) with in-home service, backed by Samsung toll-free support.
